Lose yourself in a theater without walls.

Music, movies, pictures, text. All in one hand. The Samsung YP-T8 delivers up to 20 hours of audio playback (6 for video) via USB. Together, its files – MP3, WMA, OGG, JPEG, and MPEG4 (up to 15 frames) – redefine “going to the theater.” You’re there already!

A festival of features

Play music, movies and more! The YP-T8 lets you:

- Playback of up to 20 hours with one battery
- Download average (4M) file in 0.4 seconds
- Viewing JPEGs and text in slide show format
- Connection without the need for a PC
- Ability to even record your own voice.
